

ABOUT RUSSIAN ORPHANS

Each year, Russia releases orphans into society after they turn 16 years old. With no skills, they must find a job, a place to live, and a way to survive. Most don't.

Ninety percent of these graduate orphans end up in crime, prison, prostitution, drug addiction or homeless. Within the first five years 5% have committed suicide.

ABOUT STRATEGIC ANGEL CARE

Strategic Angel Care (SAC) is non-profit organization formed with others who share our same passion for the orphans in the Former Soviet Union, to encourage direct personal involvement in the lives of orphans, to provide for their physical well being and to share the message of salvation through Jesus Christ.

Several times a year, SAC takes mission trips to Russia and Republics of the Former Soviet Union. We serve the needs of orphans in shelters, orphanages, hospitals, and orphan transition homes by leading arts & crafts, sports and games, Bible lessons, and teaching life skills.

These visits are so important to them as it provides for their physical, emotional, and spiritual well being.

SAC works to disciple and spend time with these orphans to build relationships so they can build upon their new faith in Christ. We visit the same ministry sites during every trip to enable a continuity of relationships so that orphans and hurting children do not develop a further feeling of abandonment.
