

In Russia, the death rate is higher than the birth rate. Many children end up as orphans or social orphans because their parents are unable to take care of them.

Each year, Russia releases orphans into society after they turn 16 years old. With no skills, they must find a job, a place to live, and a way to survive. Most don't.

Ninety percent of these graduate orphans end up in crime, prison, prostitution, drug addiction or homeless. Within the first five years 5% have committed suicide.

*“Has God touched your heart to help these abused and neglected children?”*

Strategic Angel Care has several ways to get involved from short term to long term commitments. If you want to hear more about how to get involved in this ministry, please contact John M. Neese at 972-517-4315.

*“...lift up your eyes, and look on the field, that they are white for harvest”  
John 4:35*

I am asking the Lord of the Harvest to raise up laborers to work with the abused, abandoned, and neglected kids in the fields of the former Soviet Union and other parts of the world.

# Strategic <sup>Angel</sup> Care Personal Hygiene Kits

Children coming to a shelter or orphanage usually come with only the shirt on their backs. They don't pack their toothbrush — even if they owned one. Just imagine what it's like for child to come to a state institution all alone.

It's amazing to me to see the excitement on the kids' faces as we hand them a plastic bag with their own bar of soap. For many of these kids, it's the first time they have had all these things for their very own and not had to use communal hygiene items. You can bring this kind of joy to these children by helping to provide *SAC Personal Hygiene Kits*. It's very simple and exciting for individuals, mission organizations, or Bible study groups to participate personally in a foreign mission project. Please see the instructions and supply list in this brochure to get started on your *SAC Personal Hygiene Kits* today!

## Thanks for Helping!

*SAC Personal Hygiene Kits* will be delivered during upcoming Russia Mission Trips as part of the ongoing ministry of Strategic Angel Care (SAC) to reach the abused, abandoned, and orphaned children in Russia. We demonstrate the love of Jesus by providing Bibles, backpacks, school supply kits, hygiene kits, and other aid to hurting children in the former Soviet Union.

Financial gifts to support this ministry can be made out to "*Strategic Angel Care*". In the check memo write *Humanitarian Aid*. Your cancelled check is your tax-deductible receipt.

If you would like to come with us to Russia to hand-deliver these gifts and share Jesus with orphan and needy children, please contact John M. Neese at 972-517-4315 or [jneese@SACorphans.org](mailto:jneese@SACorphans.org)

## 4 Easy Steps

1. **GATHER** the supplies using the list below and place in a **QUART** size zippered plastic bag. Feel free to add extras of any items on the list in a separate zippered plastic bag.
2. **INCLUDE** a picture of yourself and/or your family and a short personal note for each *SAC Personal Hygiene Kit* you provide. We have seen that this will become the most treasured item the child receives. If you include your address, you may hear back from the child who receives your kit.
