

In Russia, the death rate is higher than the birth rate. Many children end up as orphans or social orphans because their parents are unable to take care of them.

Each year, Russia releases orphans into society after they turn 16 years old. With no skills, they must find a job, a place to live, and a way to survive. Most don't.

Ninety percent of these graduate orphans end up in crime, prison, prostitution, drug addiction or homeless. Within the first five years 5% have committed suicide.

"Has God touched your heart to help these abused and neglected children?"

Strategic Angel Care has several ways to get involved from short term to long term commitments. If you want to hear more about how to get involved in this ministry, please contact John M. Neese at 972-517-4315.

*"...lift up your eyes, and look on the field, that they are white for harvest"
John 4:35*

I am asking the Lord of the Harvest to raise up laborers to work with the abused, abandoned, and neglected kids in the fields of the former Soviet Union and other parts of the world.

Strategic Angel Care School Supply Kits

Every child should have the basics they need to be successful in school – pens, pencils, and other school supplies — everything we take for granted. Just imagine what it’s like for poor orphans and needy children to go to school without these items!

You should see the look on the faces of these children as our volunteers for this ministry has handed out these gifts. For many of these kids, it’s the first time they have had all these things for their very own. You can bring this kind of joy to these children by helping to provide *SAC School Supply Kits*. It’s very simple and exciting for individuals, mission organizations, or Bible study groups to participate personally in a foreign mission project. Please see the instructions and supply list in this brochure to get started on your *SAC School Supply Kit* today!

SAC School Supply Kits will be delivered during upcoming Russia Mission Trips as part of the ongoing ministry of Strategic Angel Care (SAC) to reach the abused, abandoned, and orphaned children in Russia. We demonstrate the love of Jesus by providing Bibles, backpacks, school supply kits, hygiene kits, and other aid to hurting children in the former Soviet Union.

Financial gifts to support this ministry can be made out to “*Strategic Angel Care*”. In the check memo write *Humanitarian Aid*. Your cancelled check is your tax-deductible receipt.

If you would like to come with us to Russia to hand-deliver these gifts and share Jesus with orphan and needy children, please contact John M. Neese at 972-517-4315 or jneese@SACorphans.org

4 Easy Steps

1. **GATHER** the supplies using the list below and place in a **GALLON** size zippered plastic bag. Feel free to add extra school related items that will fit in the plastic bag.
2. **INCLUDE** a picture of yourself and/or your family and a short personal note for each *School Supply Kit* you provide. We have seen that this will become the most treasured item the child receives. If you include your address, you may hear back from the child who receives your kit.
3. **BRING** your completed *School Supply Kits* to the collection center listed to the left.
4. **PRAY** for the children who will receive the *School Supply Kit* you have prepared!
